1. **Level 1-** you earn 5% of all volume on this level if qualified, (\$40 IP) personal order.
2. **Level 2** - you earn 25% of all volume on this level.
3. **Level 3** - you earn 10% of all volume on this level if you're on ASAP and qualified (\$40IP), plus (3) 1st level qualified legs). These may be personally sponsored or from roll-up.
4. **Infinity Bonus- you must be on ASAP**
 - a. You can never be blocked on your 4th level, you will qualify for the full 3-12% depending upon your rank.
 - b. You are paid the designated percentage for your rank, down through the 3d level of next Infinity Bonus earner. They then pickup their qualified Infinity Bonus starting on their 4th level, to Infinity or until blocked.
 - c. Example 1- you're a Silver and have only one Infinity Bonus earner, a Bronze on your 3d level. As a Silver, you earn 6% on all your 4th level volume. Starting on your 5th level, you would continue to earn 6% to infinity on all legs, except the one with the Bronze. You would earn 6% from your 5th level through the Bronze's 3d level and then 3% from the Bronze's 4th level to infinity. The Bronze earns 3% from their 4th level to infinity or until they reach another Infinity Bonus earner.
 - d. Example 2- you're a Silver and have only one Infinity Bonus earner, a Silver on your 3d level. As a Silver, you earn 6% on all your 4th level volume. Starting on your 5th level, you would continue to earn 6% to infinity on all legs, except the one with the Silver. You would earn 6% from your 5th level through the Silver's 3d level, then you would be blocked. The Silver earns 6% from their 4th level to infinity or until they reach another Infinity Bonus earner.
4. **Leadership Generation Bonus-** as a Diamond, you are being paid a full 12% on your 4th level, then 3% to 12% below that on all legs until partially or fully blocked. To be fully blocked in a leg on the Infinity Bonus, someone in a leg made Diamond. At that point, they would receive 12% on their 4th level. To compensate you on that leg, you are now a 1 Star Diamond and would start receiving 3% Leadership Generation Bonus from that Diamond's 4th level down to infinity or until blocked by other Leadership Generation Bonus earners.
